★★★★★
Comfort Rating

LEGEND SUPER BED

- Adapts perfectly to animals body shape, relieving pressure points with triple layered rubber and foam
- Will not pack, leak or freeze
- Non porous rubber cover keeps bacteria to a minimum
- Softness without compromise

SPECIFICATIONS

Bed length	67", 71"
Roll length	80'
Thickness	1 3/4"
Tensile	6 mpa

Molded edges prevent ingress of dirt/liquid, making the bed more hygienic. This also creates a run off to prevent puddling on the mat surface.

Comfort Rating

LEGEND SOFT BED

- Simple low maintenance
- No thin top cover to break down and tear
- Specialized urethane foam underlay which does not pack over time like crumb filled beds
- Fully molded and reinforced top mat for stability and added hygiene
- Simple and fast installation

SPECIFICATIONS

Bed length	67", 71"
Roll length	80'
Thickness	1.5"
Tensile	6 mpa

Molded edges prevent ingress of dirt/liquid, making the bed more hygienic. This also creates a run off to prevent puddling on the mat surface.

LEGEND DURALAY ROLL BED

- Heavy duty reinforced 3/8" thick mat for durability
- Unique air cushion offers outstanding cow comfort that will not pack over time
- Hygienic – will not absorb liquid or hold bacteria like recycled rubber beds and mattresses
- Stable, consistent softness, no bottoming out on impact like liquid filled beds

SPECIFICATIONS

Bed length	71"
Roll length	150'
Thickness	1 3/16"
Tensile	8 mpa

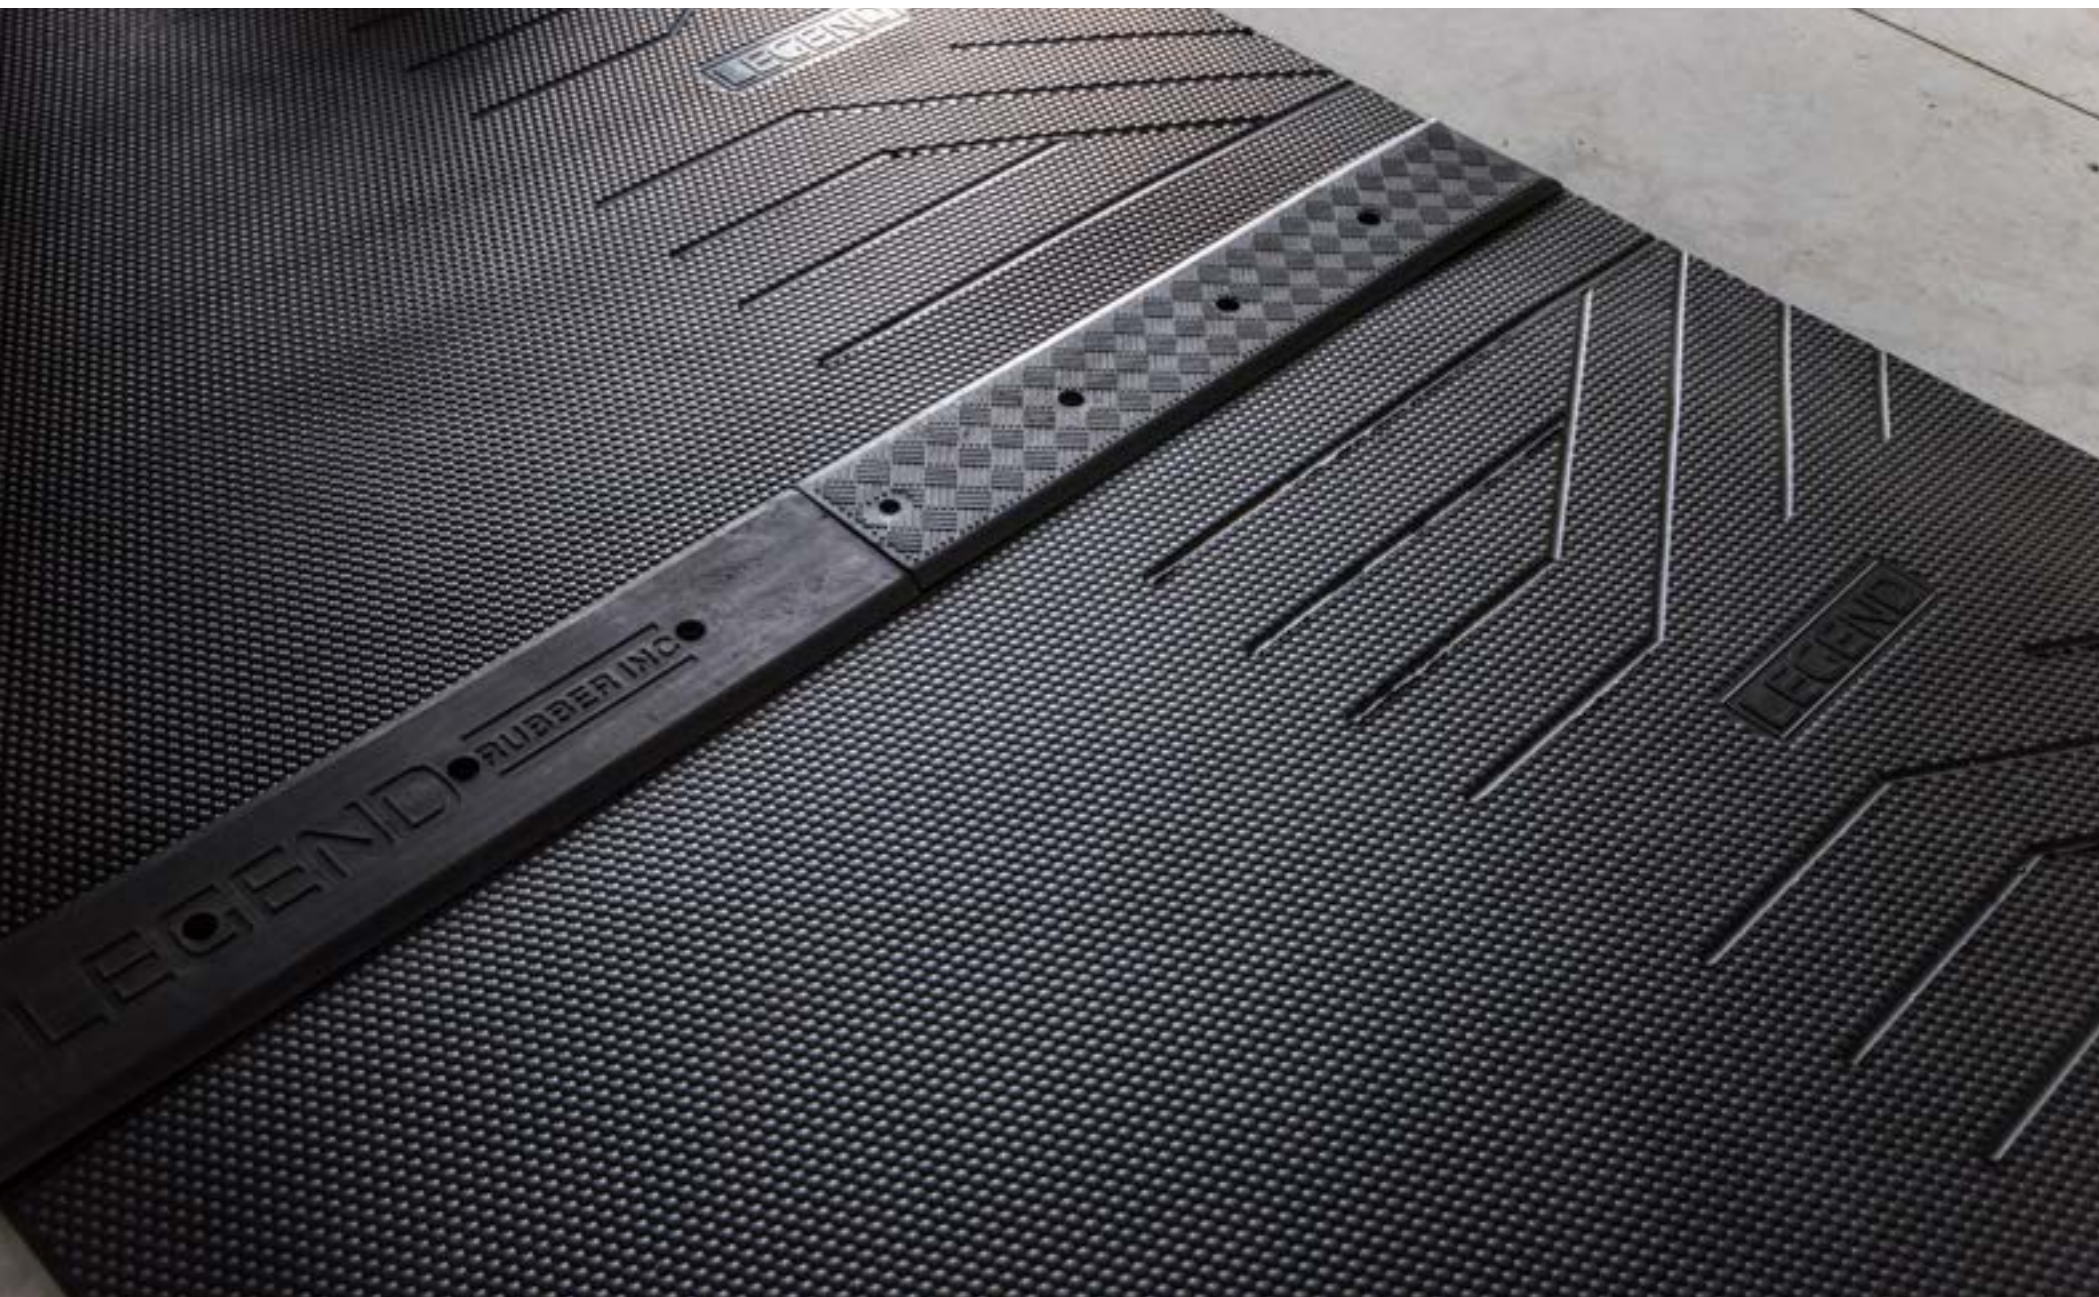

Rear edge slopes to drain any liquids to help keep beds clean and dry.

Comfort Rating

LEGEND XCS BED

- Tie stalls or free stalls
- Robust all rubber bed
- Unique air cushion for comfort
- Simple - quick installation
- Rear third of mat slopes to keep mat clean and dry
- The most versatile bed on the market
- The perfect solution for floor mounted dividers and posts

SPECIFICATIONS

Thickness	1.25"
Size	51" x 72" 45" x 68"
Option	Additional foam layer

Can be trimmed to 45" x 68"

Legend offers a Tee Bar Joiner which anchors the mat down firmly while eliminating the ingress of bedding along the joints.

Comfort Rating

LEGEND PARLOR TILES

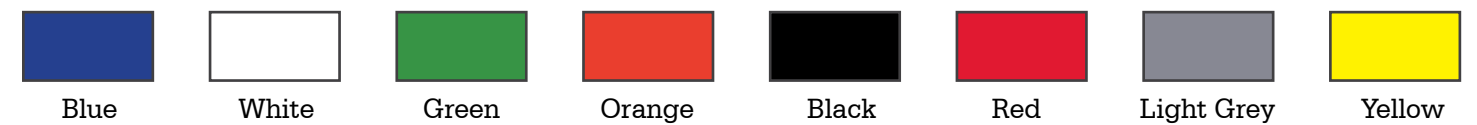

- Safe
- Comfortable and soft
- Easy to clean – no holes to trap dirt
- Interlocks together to create a safe, seamless floor
- Available in eight colours: Blue/White, Green/Orange, Black/Red, Light Grey/Yellow

SPECIFICATIONS

Size 39" x 39" x 7/8"

AVAILABLE COLOURS*

*Colours may not be exactly as shown.

LEGEND AGRIMAT

- Interlocking mat for walkways, holding areas and parlours
- Gives maximum grip and comfort with the checker plate top and soft studded base
- Cows confidently move with step length equaling that of being in the pasture
- Reduced lameness and claw lesions

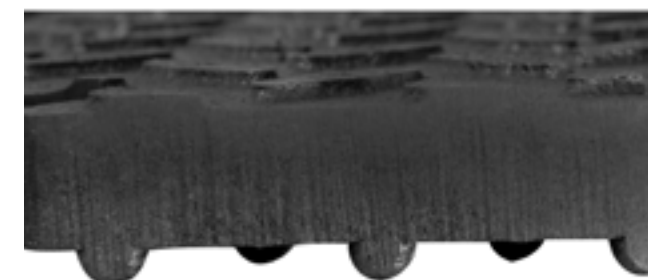

SPECIFICATIONS

Size 37" x 43" x 1"

Custom cut to your needs

Studded base for added softness.

LEGEND SLAT RUBBER

- Increased comfort on soft claw friendly surface
- Cows can move with confidence increasing heat detection, caudal licking and walking speed
- Soft surface lowers claw lesions and lameness
- Pebbled surface does not allow manure to pack creating a cleaner, more hygienic environment
- Revolutionary rubber peg system to secure mats without causing obstructions

STATISTICS

Thickness 3/4"
Size Custom cut to slat layout

Unique rubber peg system holds mats in place without damaging slats.

LEGEND GROOVED ROLL

- Proven for extreme durability
- 5mm stainless steel cable inlay
- Guaranteed NEVER to stretch
- Grooved top for extra traction
- Easier on animals and won't damage claws like concrete
- Can be used with automatic scrapers and skid-steer scrapers

SPECIFICATIONS

Roll Sizes 68" wide x 100'
 58" wide x 100'
 46" wide x 100'
 3/4" thick

Helps prevent lameness and injury.
Increase Profitability.
